Petersburg Lab Schools

2

Recover Learning Loss in Reading and Math through
Tutoring and Mentoring Corps

3

Provide Comprehensive Student Supports and
Establish Petersburg Schools as Community Hubs

--- Prepare Petersburg Students for Life ---

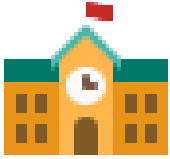

Initiative Summary:

Virginia State University and Richard Bland College plan to launch a lab school in partnership with Petersburg schools, community organizations, and employers.

--- Prepare Petersburg Students for Life ---

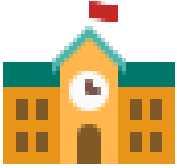

Initiative Summary:

The Urban League and Virginia State University will launch a partnership to provide Petersburg high school students with tutoring and mentorship from Virginia State University students.

--- Prepare Petersburg Students for Life ---

Establish Petersburg Schools as Community Hubs

Initiative Summary:

Communities in Schools, YMCA, and Boys and Girls Club will expand offerings across all Petersburg schools to provide robust enrichment and academic programs before, during, and after school all year.

--- Prepare Petersburg Students for Life ---

The City of Petersburg, including the City Council and School Board, and the Commonwealth of Virginia will partner to ensure all children have access to a quality **education** that meets their needs and prepares them for success in life.

Together, we will empower students, parents and teachers with the opportunity to be part of a **high-quality, innovative lab school launched by the Petersburg community.**

We will help students catch up on the dramatic learning loss of the past two years and meet high expectations through **tutoring and peer mentorship.**

We will provide engaging enrichment programs and important health and social support services in our school buildings so that they are **a vibrant and safe community hub** for all Petersburg residents.

--- Improve Access to Health Care ---

State Partners

External Partners

--- Improve Access to Health Care ---

1

Expanding Health Department Clinic Hours

2

Providing Mobile Health Care Clinics

3

Establishing Community-Based Health Literacy "Hubs"

4

Poor Creek Water Improvement

--- Improve Access to Health Care ---

Expanding Health Department Clinic Hours

Initiative Summary:

Expand access to the Petersburg Health Department to expand the services for the citizens of Petersburg.

To address the specific health needs of the citizens, services and hours for screenings are being expanded to ensure that needed critical preventive and screening services are offered.

--- Improve Access to Health Care ---

Providing Mobile Health Care Clinics

Initiative Summary:

Provide mobile health care clinics to improve access to critical health screenings and preventive care.

Mobile care clinics will serve as a vital link between the community and existing community partners and existing health providers, while also offering more tailored and consistent access to health care services for Petersburg residents.

--- Improve Access to Health Care ---

Establishing Community-Based Health Literacy "Hubs"

Initiative Summary:

Collaborate with community partners (Central Virginia Health Services, Bon Secours Southside Regional, and DMAS' Managed Care Organizations) to establish health literacy “hubs.”

Leveraging community partners to foster greater health literacy will increase awareness, utilization of primary care services, prenatal care services and will reduce health disparities.

--- Improve Access to Health Care ---

Poor Creek Water Improvement

Initiative Summary:

Collaborate with Dept. of Environmental Quality, Virginia Department of Health and local leadership to facilitate the swift upgrades for water and wastewater infrastructure at Poor Creek Pump Station.

These improvements will provide improved, reliable service to current customers and support future residential and commercial development in the Poor Creek area.

--- Improve Access to Health Care ---

The Commonwealth of Virginia and community partners will work together to improve the **health** of Petersburg residents by expanding **access** to screenings, promoting awareness of **primary care and prenatal care**, and addressing **health disparities** by **connecting** Petersburg residents with medical and social services.

4

Virginia State University, Petersburg Police, Crater Criminal Justice, and Department of Criminal Justice Services Partnership

5

Virginia State Police Surge

--- Keep Our Communities Safe ---

Early Impact Underway

- Shootings down 12%
- Aggravated Assaults nearly cut in half – decreased 48%
- Murders reduced by more than half – decreased 56%
- 24 juveniles detained for crimes involving firearms

VSP Data: Crimes compared to the two months prior to the law enforcement surge

--- Keeping Our Communities Safe ---

The City of Petersburg and the Commonwealth of Virginia will work to **increase law enforcement presence**. Through the Ceasefire Program, we will be bringing **Group Violence Intervention Coordinators** to the region, and **more federal prosecutors** for the Eastern District of Virginia in order to hold criminals accountable.

--- Keep Petersburg Moving ---

The Transportation Needs of Our Community

Lack of parking downtown to access commuter bus and transit

Ambulances being used for non-emergencies

Limited efficient passenger rail options in and out of the current
train station

Redesigned entrances and exits to Petersburg from
I-95 and I-85

--- Keep Petersburg Moving ---

State Partners

External Partner

--- Keep Petersburg Moving ---

1

New Multimodal Center

2

Enhanced Non-Emergency Medical Transportation

3

Modernization of Petersburg Ettrick Train Station

4

Additional Passenger Rail Service

5

Advance the Richmond-to-Raleigh Train Corridor through Petersburg

6

Ensure Petersburg has Safe Entrances and Exits along the I-95 and I-85 Corridors

--- Keep Petersburg Moving ---

Commitments Made to Date:

- **\$8 million** to construct the Multimodal Center
- **\$10 million** to make Petersburg Station platform improvements and address ADA and state-of-good-repair deficiencies
- **\$58 million** to NC and VA to improve rail travel between Richmond and Raleigh, including Petersburg

These investments along with the study of the I-95 and I-85 exits including Washington and Wythe Streets and transit improvements open the door for future infrastructure investment in Petersburg.

--- Keep Petersburg Moving ---

New Multimodal Center

Initiative Summary:

The Department of Rail and Public Transportation (DRPT) has worked with Petersburg on the delivery of their Multimodal Center which will serve as a transit hub for the community.

--- Keep Petersburg Moving ---

Enhanced Non-Emergency Medical Transportation

Initiative Summary:

The Department of Rail and Public Transportation (DRPT) will work with Petersburg and the private sector on ways to innovate non-emergency medical transportation in the area to free up capacity on the emergency response vehicles.

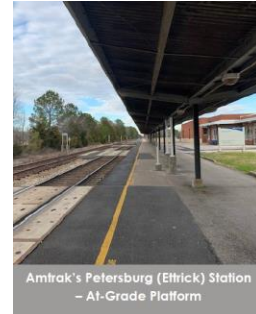

--- Keep Petersburg Moving ---

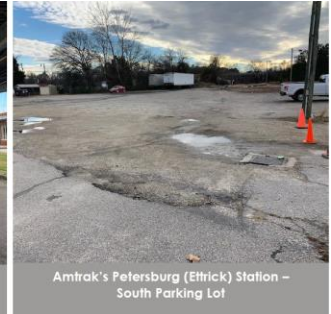

Modernization of Petersburg Ettrick Train Station

Initiative Summary:

The Virginia Passenger Rail Authority is modernizing the Petersburg Ettrick Train Station to bring the station into ADA-compliance, address state-of-good-repair issues and improve rider amenities.

--- Keep Petersburg Moving ---

Additional Passenger Rail Service

Initiative Summary:

We are launching a third roundtrip train from Washington DC to Norfolk which will add additional trains through Petersburg to provide high-quality multimodal options for Petersburg residents to access economic hubs within the Commonwealth and along the East Coast.

--- Keep Petersburg Moving ---

Advance the Richmond-to-Raleigh Train Corridor through Petersburg

Initiative Summary:

North Carolina and Virginia recently won \$58 million to advance rail improvements between Richmond and Raleigh which, when the project is complete, will make train travel competitive with car travel between the two economic hubs. This will directly benefit Petersburg with additional train options and faster trip times.

--- Keep Petersburg Moving ---

Ensure Petersburg has Safe Entrances and Exits along the I-95 and I-85 Corridors

Initiative Summary:

The Virginia Department of Transportation will assess appropriate infrastructure improvements in Petersburg in areas along the I-95 and I-85 corridors including Exit 52, Washington and Wythe Streets and make recommendations for safety and operational improvements.

--- Keep Petersburg Moving ---

The City of Petersburg and the Commonwealth of Virginia will work together to ensure that Petersburg has **high-quality, multi-modal transportation solutions to spur economic growth and community development**. We will make sure these projects are delivered on-time and on-budget and providing services that **meet the mobility needs of Petersburg residents**.

--- Foster Business & Economic Growth ---

Purpose

To remain competitive in an ever-changing economy, the Citizens of Petersburg deserve a vibrant community that provides opportunities for quality education and training, high paying jobs, reliable housing options and attracts business investment.

--- Foster Business & Economic Growth ---

State Partners

External & Petersburg Partners

--- Foster Business & Economic Growth ---

1

Revitalize Petersburg's Assets

2

Foster an Entrepreneurial Culture

3

Advance the Pharma Cluster

4

Expand Access to Housing Options

5

Increase Access to Broadband

6

Engage Petersburg's Employers

--- Foster Business & Economic Growth ---

The City of Petersburg and the Commonwealth of Virginia will partner on **innovative solutions** with the engagement of community leaders that will redevelop blighted properties like the **Ramada Inn**, create **new job opportunities** in leading industries, and **expand access to housing** options for those who call Petersburg home.

--- Build Relationships with Community and Faith Leaders ---

The City of Petersburg and the Commonwealth of Virginia will work together to equip and empower **faith and community organizations** to execute their unique and critical role in revitalizing the Petersburg community. Congregations and civic organizations have always been and continue to be **essential to thriving communities.**

We will maximize **access, education, and collaboration** with community partners to ensure success.
