

1200 Acqua Luxury Apartments, located in Petersburg, Virginia minutes from Fort Gregg-Adams is a Class A apartment community hosting a variety of luxury amenities and spacious apartment homes. Acqua mean water, which for ancient Romans, represented the necessity of life and the beauty that comes with the human experience. Thus, this vision of life and beauty is established throughout our unique property to aide in the comfort of our residents. Our upscale apartments range in size from 769 square feet to 1,070 square feet and come complete with high-speed fiber optic internet and TV included in rent. Outside of your apartment home, you can enjoy our gated community complete with walking trails, a dog park, a fire pit, a hot tub, a seasonal resort-style pool, outdoor entertainment cabanas with a gas grilling area, 24/7 fitness center, 24/7 laundry facility, and car care center. We have garages and storage units available on-site to rent for your convenience. Calling 1200 Acqua home also provides you with a dedicated community management staff that is on-site 6 days a week, along with emergency maintenance that is available 24 hours a day. This luxury complex offers 336 units.

The proposed new development would include the construction of five (5) structures with a total of 120 new units including 60 1-bedroom units and 60 2-bedroom units. Residents will have access to the amenities and facilities of the existing Acqua apartment community.
